An Extr. Session.

npany

An Extra Newton.

Now you, Mirch of "The Poining Post learns but" after and conhiling are using their influence to all an extra session called that thus far the post-lentand by retary Windom have not favored and action out have rather opposed it that the session such that called the called the called as a subject will come before the cabinet at an large asy and be decided.

As Extra Session as Viewed from Washington point-

ing influence, while the Gould people maintain that it would have a favorable effect.

Republican Senate Nominate Gorbam for some crusta Divided.

The republicans will nominate Gorbam for some try of the senate and Manistree, of Virginia, a readjuster and a triend of Mahone, for sorganitains arms. A number of demodratic senators declared their purpose in caucus yesterday to dight against a change of officers of the somate. The proposition was antiquotized by Rayard, Hampton and others who maisted that the best policy was to submit quietly to entire republican courted. Hill and Brown of 5 orgin, Vest, Jones and others, insert that them or rate senators must not submit to everything and that "would discourage the democratic party. They said that they would let the committees through but aboved their purposes to filthester against a hange of officers. Day a of Illinois when requested to absent himself and not vots when the high bedjas, refused and said that he would vote Espard and a number of other democrate declare that they will not fillinate remators may. Without minted sitions fight centrols the development of New Mexico.

### THE PORTLAYD BRIDGE

The years of talk about a bridge scross the rayer at this, city culminated a few months a o in the at this city culminated a few months a o in the commencement of actual work upon the attracture and though there are some who are opposed to any bridge at any point within the city limits, this cases numers can't a lew individuals. Nearly exceptionly would like to see the bridge built as it would doubtless add to the growth of both Fortland and Bast Portland and b of great giventure to the people but while destrous that the bridge should be built too one reall, whales to see such a structure put up as will be a unindeance to maligation. Norway in a structure at all makessary. The plans while the present commons are wrining index are not entirely irse, from this objection as a peous by the statements of should first be used, put of a transfer of such and are the statements of should first be used, put of the transfer at the transfer of the transfer are the unique of such and tract. The true girld by the transfer at an another than the such as the statement are than the drawn to the real, will not allow a vesserite the advantage of the bridge crosses the arrent, will not allow a vesserite the advantage of the mid will of the draw and that the foundations are not substantial. The from plans have by some means already moved down stream some two or hree-feet. The United States authorities however may taken cognizance of this bridge matter and it is probable that an investigation will be made which will be unade which will be unade and which will result in such singendments if any the unbide generally and just daily parties concerned. commencement of actual work upon the structure

### AMUSEMETTS.

HARMONN MINERELS—This evening the Harmony Ministrels will give their first performance in Port and at New Market heater A, very entertaining programme has been carefully reheared and will be presented Part first will consist of condicand sentimental ballads, in which will participate Geo Wilson, Harry Gordon, H.D. Griffin, H.E. Haste, J. Kearpey, E. C. Curtis. Joe Sherwood, E. C. Wheel er and others. The grand finals will consist of the omic sketch. Mand's versus finite. 'In which will oppear Griffin, whereood Wilson and the full company. The laughable Febropian sketch entitled. Dr. Slyde will tollow by Gerdon, Griffin and Haste. 'A champion clog will be given by P. Grant, duet by Wheeler and Curte, and character special ties by Gordon will follow. Wheeler Wilson and Stuffy will appear in the farce "Arrival of Duffy Next on the programme will conclude with "The Troubi-some Youth." by Gordon Sherwood and Wilson Prof. H.C. Kay will act as musical director stage manager, H. Gordon and pisalat, W. H. Iswas.

To-morrow afternoon a matinee performance will make its third and last appearance. be given and to morrow exening t make its third and last appearance
